**Format:** 36 Holes (18 each day) of medal play. Play five, count four low scores each day.

---

**Awards:**

Team Champion = low team score

Medalist/Player of the Year = low score

All-Tournament/All-TranSouth = Medalist plus next five (six total)

Freshman of the Year = low freshman score

Coach of the Year = coach of winning team

---

**Future Tournament Sites:** TBA (when will it be announced?)

---

**Region XI Tournament:**

- A 54-hole tournament will be played. Thirty-six (36) holes on the first day, and eighteen (18) holes on day two. Play five and count the lowest four.
- *Fourteen teams* from the Mid-South Conference and TranSouth Conference. The region currently has 14 teams which enables each school to participate.
- *Up to three individuals* not on one of these teams may also participate in the region golf tournament if their school does not field a complete team.

**Rain Policy**

- The completion of 18 holes will determine a team champion and individual champion if play is suspended.
  - If weather allows the tournament may proceed with the understanding that 9 hole increments may be used to determine a champion if all teams play the same 9 holes.
  - Should weather dictate the tournament to be cancelled the declared winner will be the highest nationally ranked team in the tournament. If no teams are nationally ranked the highest seed in the region will be declared the winner.
- 

**2007-08 Region XI Tournament Dates:** April 28-29, 2008
