Scheduling/Rainouts/Suspended Games/Ties:

- Teams will play a three-game weekend series according to the master schedule.
- Coaches are to agree on starting times for all conference games.

- The games/series must be completed on consecutive days.
- Games can be moved because of weather and be played Thursday/Friday, Friday/Saturday, Saturday/Sunday, or Sunday/Monday. Note: Trevecca Nazarene and Union cannot play games on Sunday.
- Games continued on second day must be completed as they were started (Nine--inning games will be finish as a nine-inning games, seven-inning games finished as seven-inning games.)
- A nine-inning game can be completed on second day of series, followed by a double-header. No triple-headers can be played in one day.
- Ties and suspended games: Games cut short by weather from the first day should be completed the next day. On the second day of the series, a game is complete after 4.5 innings (if the home team is ahead) or five innings (if the visiting team is ahead). If tied on second day, the game would be recorded as a tie and refer to winning percentage.
- Swapping of Home Sites: Every effort should be made to play all conference games. This includes swapping home sites in the event the scheduled home site is unplayable.

Game stats are to be web synced to Dakstats after each game. Failure by a school to report more than 2 weeks in a season will result in players and coaches from that school being ineligible for selection to the all-conference team.
